

High-Protein Meal Prep for £30 a Week

A one-hour Sunday prep that makes 10 high-protein meals, with a UK supermarket shopping list for about £30.

Shopping list (approx. UK supermarket prices, check your local store)

- 1 kg chicken thighs or breast
- 12 eggs
- 500 g Greek yoghurt (x2)
- 1 kg rice or 500 g pasta
- 2 tins chickpeas, 2 tins chopped tomatoes
- Frozen mixed veg 1 kg, frozen spinach
- Oats 1 kg, bananas, 4 onions, garlic
- Spices: paprika, cumin, mixed herbs

Prep in one hour

- 0-10 min: rice on, oven to 200C, chop onions.
- 10-35 min: roast chicken with paprika and cumin; simmer chickpeas, tomatoes and onion into a chilli.
- 35-45 min: bake 8 eggs into egg muffins with spinach.
- 45-60 min: portion into 10 boxes, cool, refrigerate 4 and freeze 6.

Meals

- Lunch x5: chicken, rice, veg (about 40 g protein).
- Dinner x5: chickpea chilli with rice, topped with yoghurt (about 25 g protein).
- Breakfast: overnight oats with yoghurt and banana (about 20 g protein).
- Snack: 2 egg muffins (about 13 g protein).

Food safety

- Eat refrigerated meals within 3 days; reheat until steaming hot.
- Defrost frozen boxes in the fridge overnight.
